EXEMPT MICROFILM SERVICE

TO: [ ]  
FROM: Chief, Foreign Division  
SUBJECT: GENERAL: Foreigners in Spain  
SPECIFIC: Georg GREEKOW

1. Subject, who was in contact for a limited period of time in 1949 with a German station, was dropped in September 1949. With station aid, Subject procured an exit permit and left Munich for Zurich on 28 December 1949. Subject planned to stay one day in Switzerland, and then to proceed to Spain. Subject's address in Spain was to be in care of Alexander KPMUTZ.

2. In mid-September 1960, the German station concerned reported as follows regarding Subject's intentions: "Subject has applied for a six-months' stay in Spain and if he finds that there are no opportunities there for him to earn a livelihood and to work 'pour la bonne cause', he will either return to Germany or emigrate to South America where he also has friends. He has been instructed that there is no American intelligence service in Spain (only 'observers') and that it would be absolutely fruitless for him to address himself to any American agency there such as the embassy. He understands this quite well and has stated that he will make no attempt to contact any American individual or agency while in Spain."

3. Since Subject may contact the Embassy in spite of his statements, we are providing brief identifying information:
